RESPONDENT BURDEN: VA may not conduct or sponsor, and the respondent is not required to respond to, this collection of information unless it displays a valid OMB Control Number. Standard Form 129 is approved under OMB Number 9000-0002. Public reporting burden for this collection of information is estimated to average 33 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Responding to Item 11A (Veteran-Owned Business, Vietnam Era-Owned Business, or Disabled Veteran-Owned Business) is voluntary and approved under OMB Number 2900-0445. The information will be used to assure that efforts are being made in VA to identify veteran business concerns, and to monitor accomplishments and to conduct customer surveys. Public reporting burden for this additional collection of information is estimated to average 5 seconds per response.

After placement on the bidder's mailing list of an agency, your failure to respond (submission of bid, or notice in writing, that you are unable to bid on that particular transaction but wish to remain on the active bidder's mailing list for that particular item) to solicitation will be understood by the agency to indicate lack of interest and concurrence in the removal of your name from the purchasing activity's solicitation mailing list for the items concerned.

SIZE OF BUSINESS DEFINITIONS

(See Item 11A.)

a. Small business concern - A small business concern for the purpose of Government procurement is a concern, including its affiliates, which is independently owned and operated, is not dominant in the field of operation in which it is competing for Government contracts and can further qualify under the criteria concerning number of employees, annual average gross revenue, or other criteria, as prescribed by the Small Business Administration. (See Code of Federal Regulations, Title 13, Part 121, as amended, which contains detailed industry definitions and related procedures.)

b. Affiliates - Business concerns are affiliates of each other when either directly or indirectly (i) one concern controls or has the power to control the other, or (ii) a third party controls or has the power to control both. In determining whether concerns are independently owned and operated and whether or not affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationship. (See items 8 and 11A.)

c. Number of employees - (Item 11B) In connection with the determination of small business status, "number of employees" means the average employment of any concern, including the employees of its domestic and foreign affiliates, based on the number of persons employed on a full-time, part-time, temporary, or other basis during each of the pay periods of the preceding 12 months. If a concern has not been in existence for 12 months, "number of employees" means the average employment of such concern and its affiliates during the period that such concern has been in existence based on the number of persons employed during each of the pay periods of the period that such concern has been in business.

Control in this context means exercising the power to make policy decisions. Operate in this context means actively involved in day-to-day management. For the purpose of this definition, veteran means a person who served in the U.S. Armed Forces and was discharged or released under conditions other than dishonorable.

b. Vietnam era veteran-owned business - A business that is at least 51 percent owned by a person(s), who served for a period of more than 180 days, any part of which was between August 5, 1964, and May 7, 1975, and was discharged or released under conditions other than dishonorable.

c. Disabled veteran-owned business - A business that is at least 51 percent owned by a person(s) with a minimum compensable disability of 30 percent, or who was discharged for disability.

e. Woman-owned business - A business that is at least 51 percent owned by a woman or women who are U.S. citizens and who also control and operate the business.
